

**PurSan®**  
**Body Art Aftercare Soap**

**Recommended Protocol for Body Piercing Aftercare**

NOTE: Do not use PurSan inside the mouth, directly on the tongue, in the eyes, or around the eye lid & eye lash area. PurSan is safe to use on lips, eyebrows and genitals. Do not use PurSan if the presence of a disease or physical condition including, but not limited to, skin rash, infection or allergic reaction makes it impossible or undesirable to treat a particular client in the usual manner. Do not use PurSan for tongue piercings

Ensure that products used in conjunction with PurKlenz, PurTect & PurSan do not contain PCMX (Chloroxylenol), for example Dettol, Green Soap or Provon.

1. Apply PurSan to your hands, then wash and rinse thoroughly.
2. Wet the pierced area to be cleaned.
3. Apply PurSan sparingly to freshly washed fingertips and gently clean around the piercing, including the exposed jewelry. Do not rotate the jewelry.
4. Rinse fully under running water.
5. Gently pat dry with a clean towel.
6. Repeat according to your Piercer's instructions for Aftercare.

Note: PurSan can also be used in the shower.
